Staying in the Holiday Inn on Hull's Marina, we are well located to explore the sights of this recent City of Culture. You may wish to explore Hull's compact historic quarter and wander through the cobbled streets and alleyways, flush with Georgian buildings or visit the free museums and galleries as well as shopping centres that Hull has to offer.

## **Itinerary\***

**Day1** Departing our local area we head first to York where we spend time at the annual St Nicholas Fayre, one of the most popular festive markets in the country. Like stepping into a scene from a Dickens' tale, the bustling Victorian market stalls sell everything from local produce to traditional gifts and crafts. Enjoy a warming glass of festive cheer with roasted chestnuts and listen to carol singers and buskers. Leave time to wander York's infamous winding lanes or visit the magnificent Minster. Later this afternoon we rejoin the coach for our journey to the Holiday Inn on Hull Marina in time to sample the night time atmosphere and restaurants of Hull.

**Day2** After a leisurely full cooked breakfast, we enjoy free time to soak up the atmosphere and further explore the vibrant mix of culture and shopping this revitalised waterfront city has to offer. Take a stroll along the marina, amble through the eclectic museum quarter or maybe visit Wilberforce House Museum, birthplace of the MP and antislavery crusader William Wilberforce. Later in the day we depart Hull and return to our original departure points with suitable comfort stops En-route.
