Value for money holidays!

We don't aim to be the cheapest operator on the market. We choose our hotels and packaged content based on quality and location as opposed to the cheapest possible price.

Our excursion programme has many entrances and admissions included at no extra cost. Visits to places of interest, attractions, train rides, guided tours and boat trips can all be very costly but on many of our tours these are included in the price to enhance your holiday and give you extra value for money.

Our on-board crew are selected for their skill, knowledge, experience and personality and will look after you with care, attention to detail and humour throughout your holiday.

Ferry crossings to Europe are made via the Port of Hull on overnight crossings with a cabin provided. This avoids early starts and late returns. An on-board buffet dinner and breakfast are also included on these sailings in order to complete the package.

Your holiday coach also comes with reduced seating for extra legroom and has USB charging points at each seat point in order to recharge your electronic devices.

Add to this the excellent service and quality of hotels and itineraries and we think it will be hard to find a more complete coach holiday package for the price.

Best wishes and happy holidays.

Important Information

1. HOW TO MAKE A BOOKING:

Please contact us on 01642 714918 to check availability. Once we have your information along with a £50 deposit pp, we will consider it as definite and will proceed to confirm the booking.

2. HOLIDAY PAYMENTS:

The deposit required for holidays is £50 per person which is non refundable. You will receive a confirmation invoice which will show your balance and the due date. Failure to pay the balance by the due date could result in cancellation of your booking and your deposit will be forfeited.

3. PRICE ALTERATIONS:

The prices quoted are based upon costs and known exchange rates at the time of production. Generation Travel reserves the right to pass on any increase in price due to currency fluctuation and any fuel price increase.

4. IF YOU CHANGE YOU'RE BOOKING:

If you want to amend your reservation we will do our best to help. All amendments must be confirmed to us in writing by the person who made the original booking.

5. CANCELLATION BY YOU:

If you cancel your holiday you must notify us in writing. Cancellation charges may occur depending on the time before departure. In the event of cancellation your deposit cannot & will not be refunded.

6. IF WE CANCEL YOUR HOLIDAY:

We reserve the right to cancel or modify any holiday should there be insufficient passengers or any other reasons beyond our control. Should it be necessary for us to cancel then you will be offered alternative arrangements or a complete refund of monies paid.

7. IF WE CHANGE YOUR BOOKING:

Occasionally it may become necessary to amend an itinerary or change a hotel through no fault of our own, however we will contact you as soon as possible and we will endeavour to resolve any situation that may arise to the best of our ability.

8. SEAT ALLOCATION:

Requests for certain seats can be made on most holidays when booking, but because allocations are made on a first come, first served basis, you are always recommended to book as early as possible in order to reserve your preferred seats.

9. SPECIAL REQUESTS:

All special requests should be made at time of booking and cannot be guaranteed, however we will try our very best to ensure that they are granted.

10. PASSPORTS & VISAS:

It is your responsibility to check & fulfil the entry, passport, visa, health and immigration requirements for your chosen itinerary. Requirements do change and you must check the up-to-date position in good time before departure.

At the time of printing, for travel to the EU, your passport must be:

1. Issued less than 10 years before the date you enter the country (so check the 'date of issue')
2. Valid for at least six months after the day you plan to leave (so check the 'date of expiry').

In 2025, the EU is aiming to bring in a new travel authorisation (a visa waiver system) called ETIAS that will be valid for three years. Once introduced, British passport holders travelling to the EU will need to apply and pay for an ETIAS via the [official ETIAS website](#).

11. INSURANCE & HEALTH CARDS:

If you have a European Health Insurance Card (EHIC) it will be valid up to its expiry date (cards are valid for five years when issued). If your EHIC has expired, or you don't have one, you can apply for a UK Global Health Insurance Card (GHIC) which is accepted in all 27 EU countries, as well as Switzerland & Montenegro.

We do not sell insurance products but we must insist that adequate cover to suit your requirements is taken out for both British & Continental Holidays. Generation Travel will not be liable for any costs arising due to insufficient insurance cover.
